This is a story about control

My control

Control of what I say, control of what I do

And this time I'm gonna do it my way

I hope you enjoy this as much as I do

Are we ready, I am

'Cause it's all about control

And I've got lots of it

When I was 17

I did what people told me, uh

I did what my father said

And let my mother mold me

But that was long ago

I'm in control

Never gonna stop

Control

To get what I want

Control

I got to have a lot

Control

Now I'm all grown up

First time I fell in love

I didn't know what hit me

So young and so naive

I thought it would be easy

But now I know I've got to take

Control

Now I got to have a lot

Control

To get what I want

Control

Never gonna stop

Control

Now I'm all grown up

Jam, woo, ooh

Rebel

That's right, I'm on my own

I'll callin' my own shot

Thank you

Got my own mind

I wanna make my own decisions

When it has to do with my life, my life

I wanna be the one in control

So let me take you by the hand

And lead you on this dance (Control)

'Cause what I've got

Is because I took a chance

I don't wanna rule the world

Just wanna run my life

So make your life a little easier

When you get the chance just take

Control

Ooh, ooh, now I've got a lot

Control

To get what I want

Control

Never gonna stop

Control

Now I'm all grow up, ooh

Free at last

Out here on my own

Ooh, ooh, ooh, yeah, eee

Now control this, uh

(Control) That's right

(Control) Career moves

(Control) I do what's right for me

(Control) And me wants to groove, is that okay

Yeah, yeah, yeah

Ooh, control

I got my own mind

Ooh, ooh, baby

Yeah, yeah, yeah, yeah

Got my own mind
I wanna make my own decisions
When it has to do with my life
I wanna be the one in control
Hop to it
I'm in control
And I love it, that's right
Control
Now I've got a lot
Control
Now I'm all grown up
I'm in control (Uh)
I'm in control, ah
I'm in control (Oh)
Don't make me lose it
Control
Control
Control
Control
