featuring Missy Elliot Timbaland

[CHORUS]

Go deep

No sleep

All night

Go deep

Repeat

Go deep

Real deep

Go deep

(repeat x2)

[Janet Verse One]

I'm feeling fine cause in time I'll be out tonight

I'm starting now making sure I look fine tonight

Call Rene and Boo gotta meet them soon

Tell T to call Shawn

I'll be there at 1

When we show up

All the guys at the club

Wanna get our backs

We look good in black

[Repeat CHORUS]

[Janet - Verse Two]

I'm feeling high cause I'm outta control tonight (can
you feel it)

(Feeling high don't wanna stop)

Ooh he's got me moving

DJ grooving I feel way right

(Grooving I don't wanna stop)

I'm getting freaked from behind

I don't even mind

Cause he's looking damn fine

Make him mine in time

Gotta take him home

When I get him all alone

I'll make him scream and moan (moan)

[Repeat CHORUS]

[Janet]

We'll go deep

Get no sleep

And uh we'll til the (yea uh)

I'm feeling high tonight

Outta control tonight

I'm feeling high tonight

I feel high

[Missy Elliott]

Yeah

I can go deeper than the river

Timbaland

Make a beat that will shiver

The back of your cars

The back of your jeeps (what)

The tip of your neck

The soles on your feet (what)

Black

My ha-hat-rat-tat (uh)

Tat-tat-tat

Now duplicate that (what)

You sound wack

Here's a smack

Janet don't play that

Timbaland give me playback

[Repeat CHORUS til fade
