Now why you wanna go and do that love, huh
Now why you wanna go and do that huh do that
Now why you wanna go and do that love, huh
Now why you wanna go and do that, do that, do that

I like this song huh,
What
Uh like Joni says
Don't it always seem to go, that you don't know what
you've got til it's... (gone)
Repeat 3x
You don't know what you've got til it's gone

Have a feelin'
Now believin'
That you were the one I was meant to be with
Oh how I'm wishin', thinkin' dreamin', 'bout you, and
the love
How'd I ever let you get away

Got til it's gone
Got til it's gone
Yeah, yeah, yeah

Don't it always seem to go, that you don't know
what you've got til it's ...(gone)
Repeat 3x

What
Joni Mitchell never lies (lies, lies)
You never know what you've got til it's gone

I could turn the hands of time (mmm)
Make you fall in love with me again
So would you give me another chance to love
To love you the right way
No games

Got 'til it's gone
Got 'til it's gone

Joni Mitchell never lies
Don't it always seem to go, that you don't know
what you've got til it's... (gone)
Repeat 3x

Whats that
Yeah
Let me just **** with it for a minute
What (that you don't know what you've got 'til it's gone)
Now you are realizing when the nights go long, right
Campaign for me to stay
When you know that I'm gone, right
You act all wild
When I tell you to settle
I was working 'round the clock
But you girls want to meddle (I heard, I heard)
Talkin' about, I heard he swims with his chick on the
beach
That was out with the tide but my love you impeached
Now you lookin' at the walls
Head in hand
Cold jonezin'
Ringing my house
Hang up and posing

Now why you wanna go and do that love, huh
Now why you wanna go and do that and do that huh
Now why you wanna go and do that love, huh
Now why you wanna go and do that, and do that huh
Now why you wanna go and do that love huh
Now why you wanna go and do that and do that huh
Now why you wanna go and do that love huh
Now why you wanna go and do that and do that and do
that

Don't it always seem to go, that you don't know what
you've got til it's gone
Yeah, yeah,
Don't it always seem to go, that you don't know what
you've got til it's gone
Never ever realising
Don't it always seem to go, that you don't know what
you've got til it's gone
Joni Mitchell never lies
That you don't know what you've got til it's gone

Fade out
