I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but

Sittin' here with my tears

All alone with my fears

I'm wonderin' if

I have to do

Withoutcha

But there's no reason why I

Fell asleep late last night

Cryin' like a newborn child

Holdin' myself close

Pretendin' my arms are yours

I want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but

I still remember to the day

In fact it was a 3rd Monday

You came along

To be the one for me

Now I'm alone

Sittin' here by the phone

Call and say that you're ok

So that I'll have

The chance to beg you to stay

I want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but

I get so lonely

(Every time I see your face baby)

Can't let

(Every time I hear your name)

Just anybody hold me

(Hard to believe that you and me)

You are the one

(are no longer)

That lives in me my dear

Want no one but you

I get so lonely

(Every time I see your face baby)

Can't let

(Every time I hear your name)

Just anybody hold me

You are the one

That lives in me my dear

Want no one but

Gonne break it down, break it down, break it down

Gonne break it down, break it down, break it down

You know that I know

That I get so lonely thinking of you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but you

I get so lonely

Can't let

Just anybody hold me

You are the one

That live in me my dear

Want no one but
