Our friends think we're opposites

Falling in and out of love

They all said we'd never last

Still we manage to stay together

There's no easy explanation for it

But whenever there's a problem

We always work it out somehow

Work it out somehow

CHORUS:

They said it wouldn't last

We had to prove them wrong

'cause I've learned in the past

That love will never do without you

Other guys have tried before

To replace you as my lover

Never did I have a doubt

Boy it's you I can't do without

I feel better when I have you near me

'cause no other love around

Has quite the same ooh ooh

Like you do do do do babe

## CHORUS
