My love my need tonight

I feel so tight

My love my need tonight

Just how I like

I know you know

What exactly is on my mind

I can't help myself

Part of how I feel tonight

Won't make excuses

I just want you inside baby

We don't need to talk about no promises

My love my need tonight

I feel so tight

My love my need tonight

Just how I like

Let's just pretend

That we have no more tomorrow

Can we make love

Like it's our last time baby

Let's not get too

Soft and gently with it 'cause

I am not feelin'

In no mood to play around

My love my need tonight

I feel so tight

My love my need tonight

Just how I like

I need you

Like the flowers need the rain

I need you

Like the blues needs the pain

I need you

Like the stars need the night

I need you

Like the waves need the sea

My love my need tonight

I feel so tight

My love my need tonight

Just how I like

I need you

Like the flowers need the rain

I need you

Like the blues needs the pain

I need you

Like the stars need the night

I need you

Like the waves need the sea

I need you

Like the flowers need the rain

I need you

Like the blues need the pain

I need you Like the stars need the night

I need you

Like the waves need the sea
