"Rhythm Nation"

With music by our side

To break the color lines

Let's work together

To improve our way of life

Join voices in protest

To social injustice

A generation full of courage

Come forth with me

CHORUS:

People of the world today

Are we looking for a better way of life

We are a part of the rhythm nation

People of the world unite

Strength in numbers we can get it right

One time

We are a part of the rhythm nation

This is the test

No struggle no progress

Lend a hand to help

Your brother do his best

Things are getting worse

We have to make them better

It's time to give a damn

Let's work together come on
