Like a moth to a flame

Burned by the fire

My love is blind

Can't you see my desire That's the way love goes Come
with me don't you worry

I'm gonna make you crazy

I'll give you the time of your life

I'm gonna take you places

You've never been before and

You'll be so happy that you came

Oh, I'm gonna take you there

Chorus:

That's the way love goes

Don't mind if I light candles

I like to watch us play and

Baby, I've got on what you like

Come closer baby closer

Reach out and feel my body

I'm gonna give you all my love

Oh sugar, don't you hurry

You've got me here all night

Just close your eyes and hold on tight

Oh baby, don't stop, don't stop

Go deeper baby deeper

You feel so good I'm gonna cry

Oh I'm gonna take you there

Repeat Chorus
