# "Together Again"

Visit "[Together Again](#)" on MotoLyrics.com

There are times when I look above and beyond

There are times when I feel your love around me baby

I'll never forget my baby

I'll never forget you

There are times when I look above and beyond

There are times when I feel your love around me baby

I'll never forget my baby

When I feel that I don't belong

Draw my strength

From the words when you said

Hey it's about you baby

Look deeper inside you baby

Dream about us together again

What I want us together again baby

I know we'll be together again 'cause

Everywhere I go

Every smile I see

I know you are there

Smilin' back at me

Dancin' in the moonlight

I know you are free

'Cause I can see your star  
Shinin' down on me  
Good times we'll share again  
Makes me wanna dance  
Say it loud and proud  
All my love's for you  
Always been a true angel to me  
Now above  
I can't wait for you to wrap your wings around me baby  
Wrap them around me baby  
Sometimes hear you whisperin'  
No more pain  
No worries will you ever see now baby  
I'm so happy for my baby  
Dream about us together again  
What I want us together again baby  
I know we'll be together again 'cause  
Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in the moonlight  
I know you are free  
'Cause I can see your star  
Shinin' down on me

Good times we'll share again

Makes me wanna dance

Say it loud and proud

All my love's for you

There are times when I look above and beyond

There are times when I feel you smile upon me baby

I'll never forget my baby

What I'd give just to hold you close

As on earth

In heaven we will be together baby

Together again my baby

Everywhere I go

Every smile I see

I know you are there

Smilin' back at me

Dancin' in the moonlight

I know you are free

'Cause I can see your star

Shinin' down on me

Everywhere I go

Every smile I see

I know you are there

Smilin' back at me

Dancin' in the moonlight

I know you are free

'Cause I can see your star

Shinin' down on me
