Stay away from my window  
Stay away from my backdoor to  
Disconnect the telephone line  
Relax baby and draw that blind  
Kick off your shoes, and sit right down  
Loosen up that pretty french gown  
Let me pour you a good long drink  
Ooh, baby don't you hesitate, cos  
Tonight's the night  
It's gonna be alright  
Cos I love you girl  
Ain't nobody gonna stop us now  
C'mon angel, my hearts on fire  
Don't deny your man's desire  
You'd be a fool to stop this tide  
Spread your wings and let me come inside, cos  
Tonight's the night  
It's gonna be alright  
Cos I love you girl  
Ain't nobody gonna stop us now  
(tonight's the night, tonight's the night, tonight's the

night)

Don't say a word, my virgin child

Just let your inhibitions run wild

The secret is about to unfold

Upstairs before the night's too old, cos

Tonight's the night (tonight's the night)

It's gonna be alright

Cos I love you girl

Ain't nobody gonna stop us now (tonight, tonight's the night)

Tonight's the night (tonight's the night)

It's gonna be alright (tonight's the night)

Cos I love you boy

Ain't nobody gonna stop us now

This is so special

Tonight's the night

Don't be afraid

Tonight's the night

Don't be afraid

Tonight's the night

Don't be afraid

I wanna make things alright

Tonight's the night

Don't be afraid

Repeat and fade
