Featuring Vanessa Mae]

We have a special need

To feel that we belong

Come with me inside

Inside my velvet rope

We have a special need

To feel that we belong

Come with me inside

Inside my velvet rope

This special need

That's within us

Brings out the best

Yet worst in us

Follow the passion

That's within you

Living the truth

Will set you free

We have a special need

To feel that we belong

Come with me inside

Inside my velvet rope

We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope
Put others down
To fill us up
Oppressing me
Will oppress you
Outside leave judgment
Outside leave hate
One love's the answer
You'll find in you
We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope
We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope
