Baby would you mind touching me
Ever so slowly
You're making me quiver
Baby would you mind undressing me
Making me feel sexy
While in the moment

Cause I'm gonna
Bathe you, play with you, rub you, caress you
Tell how much I've missed you
I just wanna
Touch you, tease you, lick you, please you
Love you, hold you make love to you
And I'm gonna
Kiss you, suck you, taste you, ride you
Feel you deep inside me ooh
I just wanna
Kiss you, suck you, taste you, ride you
Feel you, make you come too

Cause I'm gonna
Bathe you, play with you, rub you, caress you
Tell how much I've missed you
I just wanna
Touch you, tease you, lick you, please you
Love you, hold you make love to you
And I'm gonna
Kiss you, suck you, taste you, ride you
Feel you deep inside me ooh
I just wanna
Kiss you, suck you, taste you, ride you
Feel you, make you come too

Baby would you mind coming inside of me
Letting your juices free
Deep in my passion

Cause I'm gonna
Bathe you, play with you, rub you, caress you
Tell how much I've missed you
I just wanna

Touch you, tease you, lick you, please you
Love you, hold you make love to you
And I'm gonna
Kiss you, suck you, taste you, ride you
Feel you deep inside me ooh
I just wanna
Kiss you, suck you, taste you, ride you
Feel you, make you come too
