1...2... Ready, Go....

(la la la la la ...)

I'm tired of boys who make me cry  
They cheat on me and they tell me lies  
The one I love will never stray  
When he sees other girls he looks away

And if he never kisses me well that's alright  
Coz we can just cuddle all night

(Chorus)

Gay Boyfriend, Gay Boyfriend  
I dont really care that you are queer  
Gay Boyfriend, Gay Boyfriend  
I never feel lonely when you are near

(la la la la la la la...)

It'll be a great romance  
We'll go shopping and buy some pants  
You don't care how big my ass is  
Just how fabulous my dress is

(Chorus)

Gay Boyfriend, Gay Boyfriend  
I dont really care that you are queer  
Gay Boyfriend, Gay Boyfriend  
I never feel lonely when you are near

(La la la la la la la...)

1...2... Ready, Go....

You cry at movies on our dates  
Romantic comedies sure are great  
But when your sad i'll dry your tears  
Cuz i'll always think that you are fierce

I like cigarettes, and thats no gag

But you'll always be my favourite fag  
You'll always be my favourite fag  
You'll always be my favourite.... (fag)

(Lalalalalalalala...)

Chorus x 3 to fade
