"A Lovers Holiday"

When I'm in love
I do it right
One on one
All thru the night
Ooh I take my time
And work it slow
You've been whipped
Before you know
Cause these arms
There's ecstasy
Once we've touched
You're history
Ooh imagine baby
You'll lose control
When we make love
Away we go

The whole world is ours tonight
We can do what we want to
Just tell me your delight
Girl I'll steal your heart
Take your breath away
Take you on a lovers holiday
We can't stop now
While we're in flight
We can't turn back
It feels too right, ooh
Our destinations, not far away
In just one minute...a holiday now

As we're coming down baby
Hold me close cause I'm not through and
There won't be no ground baby
I'm a work it, I'm a whack it, til you like it
Up up up and away and away we go

Chorus

Our destination is not far away
We're one minute from a holiday
The whole wide world is ours tonight

Can't turn back it feels so right
Come on pretty baby just fly with me
I'll take you to a place where you oughta be
Ooh baby just you and me
In ecstasy

As we're coming down baby
Hold me close cause I'm not through and
There won't be no ground baby
I'm a work it I'm a whak it, til you like it
Up up up and away and away we go

Chorus
