Dynamite

Jermaine Jackson

(words & music by Andy Goldmark/Bruce Roberts)

I don't know too much

But I know love the way I've been touched

It's your love that heats me up

And there's no such thing as too much

'Cause I don't know when it's time to stop

All night you give me what I like

Intense high explosive dynamite,

you're dynamite

All night you supply the spark I like

Intense heavy dose of dynamite,

pure dynamite

Wild things can't be tamed

Under my skin it's just the same

Waiting to be ignited

And there's no way I'll ever fight it

'Cause I don't know any better

No I don't know when it's time to stop

All night you give me what I like

Intense high explosive dynamite,

you're dynamite

All night you supply the spark I like

Intense heavy dose of dynamite,

pure dynamite

I don't want any other

No I don't ever want this to stop

All night you give me the love I like

Intense high explosive dynamite,

you're dynamite

All night you supply the spark I like

Intense heavy dose of dynamite,

pure dynamite
