I Think It's Love

Jermaine Jackson

(Jermaine Jackson/Michael Omartian/Stevie Wonder)

I'm a greedy lover for lovin'

When it's from you

I'm a choosy lover

'Cause only your love will do

Not like one who finds true love

Yet searches for more lovin'

Their whole life through

Not me because I'm an easy take

When love's here to make like this

I'll tell you that I'm a kissin' fool

When under the magic of your kiss

Oooh not like one who finds the sweetest

But cannot believe that the best will do

I tell you I know nobody else but you

Can do for me but you

I think it's love darling

I really do

I think you feel darling

The same way too
I'm a woman lover whenever
It's you and me
I'm your sweet surrender
If we'll stay in love eternally
Oooh I've no time for vacillating
Asking me if I am a happy man
Because I know that I know
That I've got love
We've got love in the palm of our hands
