LET ME TICKLE YOUR FANCY

Jermaine Jackson

Like the sun, I rise and shine

With last night on my mind

It's so hard to concentrate

Til our love we recreate

Let me tickle your fancy

Let me excite your soul

Let me tickle your fancy

Let me excite your soul

When I think about us

I get all keyed up

And the tantalizing touch

That I love

(Repeat chorus)

Honey words cannot express

The sensation that I get

It's a quiverin tremblin feelin

Make me wiggle

It makes me shake

When I think about us

I get all keyed up

And the tantalizing touch

That I love

(Repeat Chorus)

It's gettin late

And I can't wait

To relieve that love we made

I got an itchin in my heart

You control that vital part

(Let me) tantalizing tickle

Keyed up for touch (good God)

C'mon let me tickle your fancy

Let me excite your soul
