Like a candle burning bright  
Love is glowing in your eyes  
A flame to light our way  
That burns brighter ev'ry day  
But, now, I have you  
Nobody loves me like you do

Like a leaf upon the wind  
I could find no place to land  
I dreamed the hours away  
And wondered ev'ry day  
Do dreams come true?  
And nobody loves me like you do

What if I'd never met you?  
Where would I be right now?  
Funny how life just falls in place somehow  
You've touched my heart in places  
That I never even knew  
'Cause nobody loves me like you do

I was words without a tune  
I was a song still unsung  
A poem with no rhyme  
A dancer out of time  
But, now, there's you  
Babe, nobody loves me like you do

What if I'd never met you?  
Where would I be right now?  
Funny how life just falls in place somehow  
You've touched my heart in places  
That I never even knew  
Nobody loves me  
Nobody loves me  
Nobody loves me like you do  
Nobody loves me like you do
