I'll be gone on a Monday
I'll be back on a Friday
If you're lovely without me
Then baby, baby, baby, I'll be home soon

Call a friend for some laughter
Keep in mind, the day after
Save your love for the weekend
'Cause baby, baby, baby
I'll give my love to you

* Tadaa da dap (ohh..ohh) Tadaa da dap
(Yeah) Tadaa dadaa dadaa da dap
(Shoo dud doo doo)
Tadaa da dap (oh) Tadaa da dap
Tadaa dadaa dadaa da dap (yeah yeah)

It's so cold in this city
And I'm dreaming that you're thinking of me
Two more nights, this feeling will be over
So baby, baby, baby
Save your love for me

[Repeat *]

Two more night, my flight leaves at nine
No longer alone (you're not alone)
And I see your smile, it lights up your eyes
So baby, baby, I'm coming home
I'm coming home, yeah

Shoodoop dumdoodoop....
I'm coming home
(Tadaa da dap, Tadaa da dap,
Tadaa dadaa dadaa da...) dap

I'm coming home
Yeah baby, oh girl, to you, to you)

I'm coming home

I'm coming home

I'm coming home

I'm coming home

I'm coming home

Yeah..... I'm coming home
