("Sh-doop, sh-doop, sh-doo-be-doo-be-doop" by
backup singers heard throughout song)

If there's any more living to live
The life that's left in me, I'm ready to give
& if there's anything more I can do
Tell me now, my love; I'll do it for you

CHORUS:

'Cause you're my everything, everything under the sun
You're my everything, heaven & earth rolled in one
& if I can't have you, I want nothing at all
'Cause you're my (everything) I do believe in
(My everything) the air I'm breathing
Everything under the sun

Now I see the world I've waited for
I see it through your eyes, not like before
Everywhere I go, all that I see
United, blessed until you go to me

(chorus)
(instrumental)

(repeat & fade):
You're my everything, everything under the sun
You're my everything, heaven & earth rolled in one
