Here I sit, broken hearted
Fell in love, but now we've parted
Couldn't see the writing on the wall
Here I sit, my head in hand
Trying hard to understand
Pity me, I used to have it all
Since he left, my nights are long
& everything I do is wrong
& when they play our favorite song
Too late, he's gone; too late, he's gone

CHORUS (x4):

(Ron- Ron- Ronnie, don't you run-run, girl)

Here I sit, broken hearted
It was through before we started
I didn't know that it was our last call
Here I sit, my head in hand
Trying hard to understand
Oh too bad, for now the tears must fall
Since he left, it's just no good
& I can't do the things I should
& now I cry, I knew I would
Too late, he's gone; too late, he's gone

(chorus x4)

Here I sit, broken hearted
Don't you know? I'm broken hearted
I feel I'm broken hearted
Oo-ee I'm broken hearted
Can't you hear me? I'm broken hearted
...& fade
