Baby when we break up from a quarrel or a fight  
I can't wait to have you back and hold you oh so tight  
Tell me why, I want to know oh oh  
Tell me why is it so oh oh

That the best part of breaking up is when you're  
making up  
Best part of breaking up is when you're making up  
But after breaking up, be sure you're making up with  
me

Everytime you leave, I get those teardrops in my eyes  
But they seem to go away when you apologize  
Tell me why, I want to know oh oh  
Tell me why is it so oh oh

That the best part of breaking up is when you're  
making up  
Best part of breaking up is when you're making up  
But after breaking up, be sure you're making up with  
me

C'mon baby, c'mon baby  
Don't say maybe  
Well it makes no difference who was wrong  
Just as long as I'll be with you

Baby I'll be lonely til you're back where you should be  
But baby I belong to you and you belong to me  
Tell me why, I want to know oh oh  
Tell me why is it so oh oh

That the best part of breaking up is when you're  
making up  
Best part of breaking up is when you're making up  
But after breaking up, be sure you're making up with  
me  
The best part of breaking up is when you know you're  
making up with me

C'mon baby, c'mon baby

Don't say maybe
