Self Denial" by the Jackson Saints

You act like the world is out to get you

you say we treat you unfair

just because I don't

nurture your weakness

That doesn't mean that I don't care

You're self denial, I can see it in your eyes

You're self denial, you refuse to really try

self denial, I can see it in your eyes

self denial, you refuse to really try

Well, life must have dealt you a bad hand

but if you don't mind my sayin'

If you treat yourself

just like a piece of meat, it's

no wonder that you never win

You're self denial, I can see it in your eyes

You're self denial, you refuse to really try

self denial, I can see it in your eyes

self denial, you refuse to really try
