I lose my way
No one cares
The words I say
No one hears
My life it seems is a world of dreams

Deep in the night
You'll find me
Dream and you're right behind me
Stay...if you will stay
We'll dream the night away

Dreams to dream
In the dark of the night
When the world goes 'round
I can still make it right
I can see so far in my dreams
I'll follow my dreams until they come true

There is a star
Waiting to guide us
Shining inside us
When we close our eyes

Come with me
You will see what I mean
There's a world insight
No one else ever sees
You will go so far in my dreams
Somewhere in my dreams
Your dreams will come true

Don't let go
If you stay close to me
In my dreams tonight
You will see what I see
Dreams to dream
As near as can be
Inside you and me
Will always come true
Inside you and me

That always come true
