B. Steinberg

You're a doll
Your eyes see all
And how do I make you
How do I make you
How do I make you
Wanna see me?

You're so young
But your feelings are deep
And how do I make you
How do I make you
How do I make you feel for me

You put your head on my pillow
And you're fast asleep
And how do I make you
How do I make you
How do I make you
Dream about me?

Ooh, ooh, baby
The world's a wall of ice
You're gonna need someone
To treat you warm
And keep you nice

I like the way you dance
The way you spin
And how do I make you
How do I make you
How do I make you
Spin for me?

You put your head on my pillow
And you're fast asleep
And how do I make you
How do I make you
How do I make you Dream about me? Dream about me?
