If I can't get away from you
What am I gonna do?
'Cause you hit me just like a dream
Where there's no in between
'Cause I just fall forever
Fall forever in your eyes

"Cause it's a mad, mad love
Mad, mad love
Mad, mad love
Can't help falling now
Falling into mad love

Well you're shorting out all my pride
Like fireworks exploding inside
You're just something I can't deny
Why, tell me baby why
'Cause I just fall forever
Fall forever in your eyes

'Cause it's a mad, mad love
Mad, mad love
Mad, mad love
Can't help falling now
Falling into mad love

If I can't get away from you
What am I gonna do?
Now you call me up and you're so cool
Whadya whadya want me to do?

'Cause it's a mad, mad love
Mad, mad love
Mad, mad love
I can't help it
Mad, mad love
Mad, mad love
Mad, mad love
Can't help falling now Falling into mad love
