[female]

Somewhere out there
Beneath the pale moonlight
Someone's thinking of me
And loving me tonight

[male]

Somewhere out there
Someone's saying a prayer
That we'll find one another
In that big somewhere out there

[male]

And even though I know how very far apart we are
It helps to think we might be wishing
On the same bright star

[female]

And when the night wind starts to sing a lonesome
lullaby
It helps to think we're sleeping
Underneath the same big sky

[duet]

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true

[musical interlude]

And even though I know how very far apart we are
It helps to think we might be wishing
On the same bright star
And when the night wind starts to sing a lonesome
lullaby
It helps to think we're sleeping
Underneath the same big sky

Somewhere out there
If love can see us through

Then we'll be together
Somewhere out there
Out where dreams come true[male]
And even though I know how very far apart we are
It helps to think we might be wishing
On the same bright star
[female]
And when the night wind starts to sing a lonesome
lullaby
It helps to think we're sleeping
Underneath the same big sky

[duet]
Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true
