When something is wrong with my baby
Something is wrong with me
If I know that she's worrying
I know I'd feel the same misery
We've been through so much together
We stand as one
And that's what makes it better
When something is wrong with my baby
Something is wrong with me
Just what she means to me, now
Oh, you just wouldn't understand
People can say
That she's no good
But she's my woman
And I know I'm her man
And if he's got a problem
I know I've got to help him solve 'em
When something is wrong with my baby
Something is wrong with me
When something is wrong with my baby
Something is wrong with my baby
When something is wrong with my baby
Something is wrong with me
