I Made A Song About You

Charles Alexander
Katcha Music Publisher (BMI)

Iâ€™m writing this song for you
I didnâ€™t know where to start
I searched from your head to your toes
I found a beat in your heart

The rhythm is the soul to this song
I like to share with you
The melody could never go wrong
As long as I made it for you

The sunshine is your smile
Your Tears is like a rainy day
The sparkles thatâ€™s in your eyes
It is like all the stars this in the sky

When you sweat,
It is like the ocean breeze
The way you breath,
It is like the wind, blowing through the trees

This is why I can write about you
A sweet melody, and a beautiful tune
The qualities you have in your heart
Makes a man want more, just where can he start

I made a song about you
And I got it from your heart-yeah

[music]

The rhythm is the soul to this song
And I made it just for you
The melody could never go wrong
As long as I made it for you

I write this song about you

I made this song about you
The sunshine on your face is a smile
Your Tears is a cloudy day
I am writing this song for you
No one else would do
The sparkles thatâ€™s in your eyes
It is like all the stars this in the sky
As long as Iâ€™m made it for you
The melody would never be wrong
Itâ€™s all about you girl
Itâ€™s all about you yeah
I made a song about you
