There's a corner cafe
It stays open all the night
I went inside to escape the world
It's my favorite place to hide

Old man in the corner
been complaining about the cold
put on your smile and coat
your mind doesn't have to grow old

Tell 'em that it's raining inside my head again
Look at us we're struggling to make this life begin
Tell 'em I'll be waiting for that sunny day
Look at me I'm struggling, I just can't find my way

In the meantime I'll be waiting,
hoping for a sign
Share a cup with me my lover
you always ease my mind

Tell 'em that it's raining inside my head again
Look at us were struggling to make this life begin
Tell 'em I'll be waiting for that sunny day
Look at me I'm struggling, I just can't find my way

There's a corner cafe
It stays open all the night
I went inside to escape the world
It's my favorite place to hide
