There's no time for a warning  
We've got to make our move  
We can't wait until morning  
We'll use the light of the moon

We've got love on our side  
We're one step ahead  
There's no time for lies  
There's no time for regret

Holding on to love  
We can't give in 'cause right or wrong  
We'll hear the angels' song and lose our fear  
And we'll disappear, yeah we'll disappear

I'll kiss your lips when you're dreaming  
I'll keep a watch while you sleep  
And I won't stop believing  
When time makes me weak

We've got love on our side  
We're one step ahead  
There's no time for lies  
There's no time for regret

Holding on to love  
We can't give in 'cause right or wrong  
We'll hear the angels' song and lose our fear  
And we'll disappear, yeah we'll disappear

Falling slow  
Fall from view  
I'll follow  
I'll find you

Holding on to love  
We can't give in 'cause right or wrong  
We'll hear the angels' song and lose our fear  
And we'll disappear, yeah we'll disappear  
We just disappear, yeah we disappear

Can we disappear?

Can we disappear?  
Can we disappear?  
Can we?
