"Last Fool"

The motor ran
on Saturday night
I took your hand
and I thought everything turned out right
"A one time deal"
you told me the next afternoon
Do you not feel
the things I feel?

Do I have to be so strong?
Do I have to suck it up and move on?
I'm not your first fool but I want to be
your last fool

You don't know it
but you've hurt me
and I can't tell you
cause your silly confidence gets in the way

Do I have to be so strong?
Do I have to suck it up and move on?
I'm not your first fool but I want to be
your last fool

Is love what it's supposed to mean or
am I just trying to keep a crazy drunken scene alive?

Why do you hide behind your words?
I know you cry when you're not heard
Your eyes don't lie
I'm not your first fool but I want to be
your last fool
your last fool
your last fool
