I know you're leaving soon I'd  
Like to take this moment to remember the times we two  
had  
Don't you forget us here, the bibles and the cans of  
beer  
That showed us what we had

Did you show 'em your best?  
You know I did  
And love all the rest?  
I've tried so hard you know, alone

I've been down and out for about a hundred days so  
Give me a minute; I'll be on my way

I know you're scared to go, a life you're living on your  
own  
No family near to show you love  
You'll be alright I know, just be yourself and let it go  
Don't forget what you've learned  
From the Lord

Did you show 'em your best?  
You know I did  
And love all the rest?  
I've tried so hard you know, alone

I've been down and out for about a hundred days so  
Give me a minute; I'll be on my way

On my way
