She pulls me in, pushes out  
Has her plans and has her doubts  
I'm falling somewhere in between  
She makes it obvious enough

She asks me why, I ask back  
Seems my best defense so far is what I lack  
This shit goes round and round and round  
If it all came down to love

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more than dying for  
Nobody's saving me now  
Oh, you're so much better than I deserve  
More than these stupid words  
Page after page scribbled down  
I'm going crazy, so crazy and nobody's saving me now

Truth be told, I don't mind  
Not at all  
I'd rather sink in perfect peace  
Then count the stories as I fall  
Everything I say is true

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more than dying for  
Nobody's saving me now  
Oh, you're so much better than I deserve  
More than these stupid words  
Page after page scribbled out  
I'm going crazy, so crazy and nobody's saving me now

And you need to let me do what I do  
Cause baby you - the only one I'd ever choose  
So please baby, try to remember that I . . .

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more than dying for  
Nobody's saving me now  
Oh, you're so much better than I deserve  
More than these stupid words  
Page after page scribbled down  
I'm so in love with you baby and nobody's saving me  
now
