My tongue is stronger than my cheek
Don't be mistaken, I'm awake and
Though a child in me sleeps
He will get the best of me
I'm afraid it's way too late now
Passion grabbed me for the takedown
Livid ire, living fire, thrives inside and underneath me

Can't hold it back inside
Can't hold it back inside
(Before I kill what's left inside)
I can't go back inside
Take back the tears you've cried
The choice was made despite me
By Arenal the Mighty

My shouts will echo down the streets
Through the town, you'll hear the sound
And it will wake you from your sleep
Balmy air of wind I breathe
Those blue eyes will fade metallic
Sprout red roots at every cowlick
Reckless rampant, cold abandon, holding passionately

Can't hold it back inside
Can't hold it back inside
(Before I kill what's left inside)
I can't go back inside
Take back the tears you've cried
The choice was made despite me
By Arenal the Mighty

Mighty Arenal would say
Stay miles away
Pack your bags it's not safe
Just a matter of days 'til the end of this place, the end
of this place

Tell me the meaning
I keep waking up screaming
She's begging me pathetically to

Let her go, let her go

Stay away

Dormancy is only temporary in Arenal

And it's only a matter of time

[Repeat Chorus]
