Live band drive me to the venue  
'Cause we're all dishes on the same endless menu  
Won't you have a taste of us, we're here for you.  
Got songs hey we, got demos and  
We're for sale to the big shot in the limo who  
Rides comfortable, man it must be wonderful.

I can't get no sleep. And we're just trying to be a little  
more than local.

We don't care about no reputation, just play our songs  
on the FM Station.  
One hit wonders man it must be wonderful.

I can't get no sleep. And we're just trying to be a little  
more than local.

Listen to your heart.  
But I can't hold a job.

Listen to this big producer  
We'll recut 'em and recoup 'em then  
We'll sell them off as useless.  
We're just normal people asking normal treatment  
from you.

I can't get no sleep. And we're just trying to be a little  
more than local
