Back when I was 6 or 7 movie seats were views of  
heaven say, yea.  
Sittin' with my brother in the backseat of the car my  
daddy dove.  
He would buy the tickets while we played in the corner  
room arcade.

And I remember ...  
Those rainy nights, we had a stupid time  
All the way from the front yard to the ticket line.  
So hold on to the past then hold today.  
But please never go away.

3 cold Cokes and a buttered popcorn  
Keep that bucket safe beneath my arm.  
Front row seats in empty theatres  
Peed 6 times and missed the biggest part.

And I remember ...  
Those rainy nights, we had a stupid time  
All the way from the front yard to the ticket line.  
So hold on to the past then hold today.  
But please never go away.  
Never go away.  
Never go away.
