Donâ€™t trust her
cause she is spinning her web
She knows how to trap you
And put you in a private jail

And there is no red spots on her back
To tell you anything else
Before you know it anyway
Your life is like a living hell

Chorus
Thatâ€™s why she is a Black widow spider
That girl know how to pull you in
That girl can tell you a hundred things
And every time she will win

Sheâ€™s spinning that web
Make your life a living hell yeah
Sheâ€™s a black widow spider
She just pulled you in

BG: Repeat Twice
Black widow spider
She knows how to pull you in
She is a black widow spider
She knows how to win

Now let me tell you fellows
She canâ€™t pull you in
This is something that nature put in you
To make your woman win

You better stop and listen to her
When she starts spinning that wed
You can speak like you want to
You got your body cells

Chorus
Sheâ€™s a black widow spider
She spins her web every day
No matter when you try to leave

She got control anyway

Sheâ€™s a black widow spider
You canâ€™t deceive
When she finish with your love
You just becomes a healthy treat

BG: Repeat Twice
Black widow spider
She knows how to pull you in
She is a black widow spider
She knows how to win
She starts by working on mind
In the clubs all the time
She knows how to work the dark
Thatâ€™s their habitat and no heart

When she catch you
She figured you going to be enticed
All she got to do is look at you
She got you for the rest of the night

She starts by spinning that web
Put it all over your eyes
You donâ€™t have anything to say
Cause she got all the alibis

Youâ€™ll fall for anything she say
Everything is funny anyway

BG: Repeat
Black widow spider
She knows how to pull you in
She is a black widow spider
She knows how to win

Chorus
She got to like she wonâ€™t to
She know how to pull you in

She is a black widow spider
She knows how to make your life spin
Sheâ€™s a black woman spider
Should know how to pull you in

You can fight it, Thatâ€™s the way it is
She is a black widow spider, That girl know how to pull
you in
You better be a long, cause she would also get your
friend
She is a black widow spider, That girl know how to pull

you in
And when they get through, She know how to win
A black widow spider, She has no marks on her back
She is a black widow spider, she never dressed in black
A black widow spider, Will stop your heart beat in
itâ€™s tracks
You end up with a heart attack-oh yea
