I've never thought this way,  
dreamed this way, or felt this way.  
For anyone, but you. I want to hold you when your cold,  
love you when we're old. Thats the way, love is  
supposed to be.

-chorus-

Your love, keeps me strong.  
Your love , Keeps me holding on.  
Your love, is all i need but my love. Is stronger,  
stronger than this song.

I've never thought this way,  
dreamed this way or felt this way.  
for anyone, but you. I want to wrap my arms around  
you, never let you go. and look into those eyes , so i  
can let you know.

-chorus-

Your love, keeps me strong.  
Your love , Keeps me holding on.  
Your love, is all i need but my love. Is stronger,  
stronger than this song.

-Bridge-

I could never love another woman,  
your an angel in my eyes. I thank god every second  
, that your in my life .....

-chorus-

Your love, keeps me strong.  
Your love , Keeps me holding on.  
Your love, is all i need but my love. Is stronger,  
stronger than this song.

mmmm... stronger than this song..
