Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say  
You're gonna please me in every way

Honey, I got the notion  
You're causin' commotion in my soul  
Ooh, so nice, so nice, so nice  
Ooh, so nice, so nice, so nice

Baby, you and me  
Have got somethin' that's real  
I know it's gonna last a lifetime  
Oh, you better believe it now

At night I call your name, oh  
But darkness fills my room, I'm only dreamin'  
About the time I'm gonna be with you

Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say  
You're gonna please me in every way

Honey, I got the notion  
You're causin' commotion in my soul, yeah  
Ooh, so nice, so nice, so nice  
Ooh, so nice, so nice, so nice

When I'm feelin' down  
You're there to pick me up  
And help me to carry on  
Oh, the little things mean a lot, oh yeah

When you need a shoulder to cry on  
I'm there to ease the pain  
And chase away the rain  
Oh, darlin', I just gotta say

Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say

You're gonna please me in every way

Honey, I've got the notion  
You're causin' commotion in my soul

Ooh, so nice, so nice, so nice, yeah  
I just love the things you say and do  
Ooh, baby, I really want [Incomprehensible]

Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say  
You're gonna please me in every way

Honey, I've got the notion  
You're causin' commotion in my soul

Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say  
You're gonna please me in every way

Oh, it's so nice to be with you  
I love all the things you say and do  
Oh, it's so nice to hear you say  
You're gonna please me in every way
