[KRS-One]

Hah, giddyap!

Ha ha ha hah..

Another dope dope dope style

by the massive BDP crew

Of course, I will now present to you

a different view, for 1990

Of course, eighty-nine is behind me

Check it out

It's called breath control, breath control, breath control  
stylee

Breath control a-lone, breath control A-LONE

Breath control, breath control, breath control stylee

Breath control a-lone..

It's KRS-One, yes the t'cha

I wear Clarks and only Nike sneaker

In your speaker, is the new style

Dedicated to the intelligent child

In the front row, or behind me

We're gonna pull somebody file for the 90's

You want lyrics? We come correct

BDP, only movin with respect

The other MC's, they can't believe me

A when I rhyme it sound just like a CD

We don't lip-sync, we go all live

On stage, I bring about four or five

That's D-Nice, Sydney, and Melodie

And myself, Harmony, and Willie D

We come humble, we just grumble

while other MC's crew just crumble

They want DANCERS, they want lighting

They want effects, to make them look exciting

But it's frightening, cause without that

The whole crew, is whick whick whick whack

BDP comes, with the cheapest

and perform miracles like Jesus

The total respect, we achieve it

And the big head-liner can't believe it

It's called breath control, breath control, breath control  
stylee  
Breath control a-lone, breath control A-LONE  
Breath control, breath control, breath control stylee  
Breath control a-lone.. get ready for the break..

Ha ha ha ha ha hah..  
Well the styles I, usually dish out  
are so dope that you don't wanna miss out  
We got PAGES, of the dope stuff  
So in the record store, you can't pass by us  
GET the album, HEAR THE MUSIC  
And hold on so you just don't lose it  
as a reference, for any MC  
that wanna test, K-R-S, O-N-E  
Cause I've been watchin, these other rap groups  
They walk around like they're some kinda big soup  
You can't touch them, you only see them  
in a arena or big coliseum  
So when you watch them, for a second  
Them sound NUTTIN like they do on record  
Them sound cheesy, them sound wheezy  
For twenty dollars boy you know them never please me  
So I see this, and prevent this  
It's like goin for a checkup at the dentist  
Cause when you come to a BDP performance  
The microphone, had better have endurance  
Cause we'll check it, and then wreck it  
And then the soundman has got to accept it

Because it's breath control, breath control, breath  
control stylee  
Breath control a-lone, breath control A-LONE  
Breath control, breath control, breath control stylee  
Breath control a-lone.. take it out..
