like an old man on his way
to the grave, i never stay out late
i'm in too much pain

darlin' i can't walk that fast
when you see me coming please don't laugh
i'm a broken back

please forget i said it
i knew that i'd regret it
i'm not myself

hundred miles of bridges burned
will you still be here when i return
none of you're concern

i'll invite you all to my
pity party i'm the host tonight
servin' up my pride

please forget i said it
i never even meant it
i'm not myself

what's a year in life?
just some made up time
all in all i think i'll be
just fine

please forget i said it
i knew that i'd regret it
i'm not myself

i don't wanna die just yet
not as long as i can be your friend
i remember when

please forget i said it
i knew that i'd regret it
i'm not myself
i'm not myself
