Terminal vacation  
Self-manipulation  
Special Education  
Blasting population

Projected blew up who you knew  
Protecting your disported views  
Everybody loves the news  
Chroma-Key

Sterilize solution  
Eliminates confusion  
Chemical delusion  
Start electrocution

Projected blew up who you knew  
Protecting your disported views  
Everybody loves the news  
Chroma-Key

Chroma-Key

Stay around, smile  
To be on dial  
All evolution moves underground  
Blew and feed,  
Watch the morning change  
Dim the lights, the speed, the sound

Projected blew up who you knew  
Protecting your disported views  
Everybody loves the news  
Chroma-Key
