l' m way past gone And I just see the bottom of this bottle I just woke up to a room full of models How know that I ainâ€[™] t callinâ€[™] â€[~]em tomorrow Itâ€[™] s been so long Since lâ€[™] ve been on this level right here Waking up after I passed out Put my clothes on before I mash out Guess lâ€[™] ve been losing my mind, losing my time Fucking these hoes and sipping this wine Skippinâ€[™] the lines and gettingâ€[™] the side Payinâ€[™] the bottle and feedinâ€[™] â€[~]em lies Shorty say she need a ride After the cool and get ready to slide Into my room, I hear nothing but huh Do it again like you push the rewind

†Cause l†m never babysittin†M l†ve been linnin†up shots l†mma show you how to turn it up a notch And now she hit the swimming pool full of liquor then you dive in it Pool full of liquor then you dive baby I wave a few bottles then I watch †em all pop All the girls wanna play Baywatch I got a swimming pool fill of liquor and they dive in it Pool full of liquor, l†mma dive in it all
