(Verse 1)

I'm worried about your health
I'm worried about how sick you're getting,
I'm worried about myself,
And all the shit that I keep forgetting.
We'll take our turns,
See what we learn,
And what we can do now,
Just to hurt each other more.
Wooooaahhhh,
And every time I say
I think you're bad for my health,
Wooooaahhhh,
You just laught and say
"Go fuck yourself."

(Chorus)

You're the one who's making this happen,
Everyone is laughing at us,
And it's all your fault,
You're so fucking ridiculous,
You're the one whose mood swings go faster,
You act like my master now,
You're such a bitch,
And you're making me a bastard.

(Verse 2)

Let's think about the past,
I would be nice,
But when this all started,
It went to hell so fast,
And now I'm the one who looks retarded,
You can have my turns,
I don't want to learn or even think about,
How we can hurt each other more.
Wooooaahhhh,
And every time I say
I think you're bad for my health,
Wooooaahhhh,
You just laugh and say
"Go fuck yourself."

(Chorus)

You're pushing, my buttons,
You're pissing me off faster,
You're making,
Me go,
From hero into bastard.
You're pushing, my buttons,
You're pissing me off faster,
You're making,
Me go,
From hero into bastard.

Wooooaahhhh,
And every time I say
I think you're bad for my health,
You just laugh at me...

You're the one who's making this happen,
Everyone is laughing at us,
And it's all your fault,
You're so fucking ridiculous,
You're the one whose mood swings go faster,
You act like my master now,
You're such a bitch,
And you're such a bitch,
And you're such a bitch,
And you're such a bitch,
And you're...

Look at everybody,
Listen to the laughter,
Look at all the bitches,
Making all the bastards.
Look at everybody,
Listen to the laughter,
Look at all the bitches,
Making all the bastards.
