(Verse 1)

Ain't it funny how we make things cool
Like let's make it a hot one
And we'll make you forgotten
I'd like to know just who makes all the rules
Like who brought you in let's go
And you can't fit in you know
But I don't care if I didn't make the team
When I'm in my backyard I'm happy dreamin'
I don't care if you don't stand up and cheer
When I'm in my garage I hear the people all screamin'

(Chorus)

Can't wait, can't wait to get home
Where I won't be a zero
I go in my backyard and turn into a hero
I Can't wait, can't wait to get home
Where I won't be a zero
I go in my backyard and I can turn into a hero

Yeah yeah.

(Verse 2)

Let's all line up so we can pick some teams
Like they can be on that side
And he can just take off and hide
I'd rather just stay home with all my teams
Cos if I have some pride
I'm safe from the outside
I don't care if I didn't make the team
When I'm in my backyard I'm happy dreamin'
I don't care if you don't stand up and cheer
When I'm in my garage I hear the people all screamin'

(Chorus)

I don't care if I didn't make the team
When I'm in my backyard I'm happy dreamin'
I don't care if you don't stand up and cheer

When I'm in my garage I hear the people all screamin'

(Chorus X 2)
