(Verse 1)

Look at everybody talking,
The time I should be walking,
Is right now,
D'you get it?
I say that I don't hear them,
But inside I still fear them,
And somehow, I hit it.
SO!
Don't you pretend that you're,
NOT!
The one keeping the score,
COS!
Everytime that I need more,
YOU'RE!
There writing down how I always fall short.

(Chorus)

So give me less and I'll take less,
Give me more and I'll take more,
Filthy rich or poor,
I don't care,
I just want to feel secure.
You're putting me first or put me last,
You're putting me down or kiss my ass,
Just ease my mind to making sure,
I just want to feel secure.

(Verse 2)

Check out everybody winning,
Well I'm at the beginning,
And right now,
I hate it.
If you weren't always leading me,
I'd just start defeating and lay down,
And just quit.
BUT!
I won't just let you in,
I'LL!
Refuse time and time again,
I!

Will throw myself back in,
THEN!
Get one more shot, cos I'm a gonna get you.

(Chorus)

So I'll tell you,
When it's too much,
SO YOU CAN KEEP PUSHING ME!
And I'll tell you,
When it's too rough,
SO YOU CAN KEEP PUSHING ME!

(Chorus X 2)
