(Verse 1)

I guess it's okay that you can't fly,  
And it's alright that you don't have x-ray eyes.  
I'll accept that you don't have super powers,  
You can't leap over towers,  
And that's fine.  
You don't need to be on my TV screen,  
Or on my radio singing to me,  
I don't need to see you winning awards,  
Or your face up on billboards,  
I just need,  
You and me.  
And I just want you to know...

(Chorus)

So,  
I know,  
We'll have somethin' to show,  
If we just make it through the day.  
Don't run and,  
Take cover,  
We've still got each other,  
And they can't take that away.

(Verse 2)

We don't need to have your money to shop  
Our pockets could be empty but we're still fine,  
All we need is to remember this time,  
To stop and replay our favorite lines,  
And let everybody know.

(Chorus)

Just the way you are,  
Stay just the way you are.  
Just the way you are,  
Stay just the way you are.  
Just the way you are,  
Stay just the way you are.  
And they can't take that away.

(Chorus X 2)
