(N. Ashford/V. Simpson)

Could it be he's interested  
Or am I just wanting it to be so  
Do I dare speak to him  
Should I let the moment go

Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow  
Should I just let it flow  
Ain't nothing maybe, baby  
I sure would like to know

Could it be he's just friendly  
That ain't nothing to get excited about  
On the other hand he could be answering  
Good vibrations I'm sending out

Well I just don't know  
What I'm really seeing  
Should I make a move  
Or keep on day dreaming

Ain't nothing maybe, baby  
I sure would like to  
I wanna know  
I wanna know  
I wanna know  
I sure would like to

Could it be he's interested  
Should I let the moment go  
Forget this feeling inside  
Forget this feeling inside

Should I let the feeling flow  
Should I just let it flow  
Ain't nothing maybe, baby  
I sure would like to  
I wanna know

I wanna know  
I wanna know

Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow  
Should I just let it flow  
Ain't nothing maybe  
Ain't nothing maybe, baby

Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow  
Should I just let it flow  
Ain't nothing maybe, baby  
Ain't nothing maybe, baby Forget this hunger inside  
Forget this hunger inside
