(James Horner/Will Jennings)

Don't lose your way
With each passing day
You've come so far
Don't throw it away
Live believing
Dreams are for weaving
Wonders are waiting to start
Live your story
Faith, hope & glory
Hold to the truth in your heart

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by
For you and I

Souls in the wind
Must learn how to bend
Seek out a star
Hold on to the end
Valley, mountain
There is a fountain
Washes our tears all away
Words are swaying
Someone is praying
Please let us come home to stay

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by
For you and I

When we are out there in the dark
We'll dream about the sun
In the dark we'll feel the light
Warm our hearts, everyone

If we hold on together
I know our dreams will never die
Dreams see us through to forever
As high as souls can fly
The clouds roll by
For you and I
